"Flushing Whip" -- News of the
National Red Setter Field Trial
Club

News has been coming in very nicely so the fireworks on Independence Day were nothing more than sparklers here at Watkins Lake. Temperatures have hovered at the 90 degree mark all week but come on in, the water's fine!

My thanks to all of the members who answered my plea for Fred Bremer's correction.

R. B. A. Box 894, Round, Minn.

Dr. J. W. G. of Kansas City writes that Jimmie [unclear] has written his "Irish Setter in Word and Picture" which was published in 1954 and is in print. He is most interested in all of us sending interesting information of dogs in our own areas. Any of you have contributions that certainly send to him. Address these to Mr. W. O. Thomson, 5200 Hampshire Drive, Indianapolis, 85419.

Joe Camon has acquired excellent new grounds near Shamokin at Elysburg, Pa. He has given up his job at Shippensburg to devote full time to dog training. His address is Box 322, Elysburg, Pa. Joe is interested in getting a double of good Irish in the Red Setter championship trial this fall in Kentucky, October 17 and 18.

Another address change should be noted. Write to club member Dr. Russell F. Knops, 2064 Sunnyside Ave., Salt Lake City, Utah 84108

Dan Mahy notified Dave Massinger of the Eastern Irish Setter Association trial dates for October 10-11. This is a change made by the state due to the Bow and Arrow season. Information may be obtained from Dan at R. D. 1, Blairstown, N. J. Collier Hill site with Sat. running under the American Field rules and Sun. under A. K. C.

Don't make any shooting bets against the Massingers! The Philadelphia Inquirer, 10/14 gives the account of David J. Massinger capturing the trap shooting honor.

If any of our undertaker members (two that I know of) are being called owners regarding disposal of their next hearse, maybe this is why: An hearse, vintage 1946, has been remodeled to haul Great Danes and Irish belonging to John Parker and Samuel Fwing who maintain a kennel in Glen wind-up window between the driver keeps the dogs out of the way. (why was for the previous line of cargo?) So if you see a hearse roar by with the side windows it's for real!

Ned LeGrande writes that Proxy Ed now has one of his young males out. He has been at trainer Jim Youtz and should make a good trialer.

We've been told to get the Col.'s lady ready for her return this month. She does a pretty tremendous job each fall at Pinehurst, especially with the only Irish Setter used for seasons on a regular basis. They continue on their team! Hate to return her she is also a boarder. Norman of Carthage who also takes the overflow of hunters out on the farm too of the Ike Jack Hendrick type and from the same area where Ned has one of Lady's pups by his Duke, Ed says,

H. L. Grace Jr., Bell county board of education at Pineville, Ky., has the bitch of high caliber to work this fall. He has a pup of Jim Lewis and so anyone having the quality he desires might contact him.

Another prospective buyer is L. F. Hilde, Box 466, Mastron, La., who would like from someone wanting to sell a one or two year old male. He has one bitch who is A.K.C. and American Field registered.

As you have no doubt noticed the American Field ad for the club has been ordered again but evidently we need to change the wording. One man wrote this week wanting to know what the catch was but he'd like one of our flushing whips to use with it.

Minnesota Irish Setter club members have been busy. Their two day trial in April is perhaps old news for some but some of the rest of us hadn't heard the results. I'll pass them along. Warren D. Johnson was introduced into the field club and evidently was properly trained by Fred Johnson.

dog wagon there each brace. Thanks also sent I understand to Ray Swanson, Ruth Jones, Sherry Johnson, Hazel Wilson, Carol Swanson, Claudeen Enebo, Audrey Chantry and Peet. Judges Dick Killmer and Al Schwiss through the bad weather and poor bird work canably handed out the following winners announcement:

Derby-1st Rhoma, English pointer, Conway Kyne, Des Moines
2nd English setter, Aksarben Jachyr, Larry Peterson, St. Paul
3rd AUTUMN HILLS COUNT, IRISH, Fred Kremer

Open All-age we won't bother with since the two Irish didn't place against the English

Open Puppy-1st English pointer Dakota Duke, Bill Podny, Andon, N. D.
2nd SUSIE, IRISH, George Berg, Willmar, Minn.
3rd Pretzel Von Panzer, German Wirehaired Pointer, Charles Stoot, Minneapolis

Open Shooting Dog-1st Sir Lancelot, Brittany, Ned Murphy, St. Paul
2nd AUTUMN HILLS A Elm, IRISH, Fred Kremer
3rd Bid Island Hocco, German Shorthair, George De Gille, St. Paul
any of the dogs particularly in their home state this first for Irish

potentially but because of the driving rain, sleet and generally weather conditions they
have much of a chance. (Special note to F. C. but they ran their dogs anyway)

Autumn Hills Duke our Champion last spring retired the Northwest per. champion puppy on April 18. This triumph has been crossed twice a year for at least 10 years so this is really something for a dog to win three times and the only one to do it. An article on some of these outstanding animals among our club members is due. We'll begin with Duke and the Kremers next month. Congratulations must and read.

Michigan fall field trial dates have now been announced as Sept. 19 and 20 at the Silo course, Highland Recreation area. James Robey and William Szubeilak pending AKC O.K. have been asked to judge. Field training classes are to be held beginning July 19th at the Axford Farm near Robhester with chuckars being used. Some of you who have journeyed to Michigan trials will be sorry to hear that Mike Valiquette suffered a heart attack this month and is confined to the hospital. On the brighter side the Morrison's took second in the Derby stake of the Western English Setter Club trial with their Sunny Moor Miss Red Boh.

Another win we should note is that of Faunt Ekey's Keeper Key Hennessey in the Finger Lakes Shorthair trial, May 22. He was third in the Amateur Shooting. The only dog listed with 2 Germans, 2 Brits, Great.
