Mr. Jim Flythe, President  
National Red Setter Field Trial Club  
436 N. Harrington  
Raleigh, N. C.

Dear Mr. Flythe:

Thank you very much for your letter of May 11.

We think it is commendable that you would try to find the best calendar dates and the most excellent grounds for the running of your trials, both spring and fall.

In connection with any change of venue for the Championship, we would like to be apprised of this at the earliest possible date and also give the starting date for the event.

You can send us the other names you have in mind for the championship which should be more appropriate and the request very likely will be approved.

When you have prepared the brochure you mentioned, please send a few to us and we shall at that time let you know if it would be possible to have these included when forwarding Field Dog Stud Book registration certificates to owners of Irish setters.

With all good wishes,

Sincerely yours,
