Mr. Herm David:

Dear Mr. David;

Have noted from your columns in *Hunting Dog* that you are an authority as well as a staunch supporter of the field bred Irish setter.

If possible could you direct me to someone who has some good field Irish or to the parent club for the Red Setter if there is one. I am more than a little afraid of most of the ads in magazines for the most part they are strictly show strains even though some do say field also.

I have a little experience in field trialing & would want this dog strictly for a field trial dog. If I can get one from a good field strain then my chances will be better.

I would appreciate it very much if you can help me with some information. Thank you.

Dear Jim -- I referred Mr. Ludt to you.

Tried to reach you at the President Madison Saturday evening. Brochure well started. Plan to be in Chicago this weekend and fore-part of next week. Want to do some research at the Field before proceeding further. Herm
