Dear Robert.

Please accept my sincere thanks on behalf of our Club for the very fine article you wrote for our Year Book 1990, concerning the late John Nash and his Moanruad dogs in America.

I have been elected as Honorary Secretary recently. It will not be easy to replace John, but, with the help of my fellow members in Ireland, America and Europe, I hope to run our club successfully.

Apologies for misunderstanding about your contribution to the Club. Ray O'Dwyer explained to me what you intended the money for, and enclosed, find a number of copies of the Year Book.

Please contact me if you have any queries, suggestions etc.

Thank you again for your article.

yours sincerely,

Owen Lane.
