ALL-AGE STAKE

Wild Wing High Anxiety, called Annie by her owner-handler Betty Shearouse of Kimball, Tenn., near Chattanooga, was the only setter in the stake and snatched the victory from the 24 competing pointers. Annie is a four-year-old and her energetic handler, who has been field trialing only about two years, has enjoyed extraordinary acceptance and respect in the sport dominated by men. Annie ran an excellent forward ground race, made good casts and

looked stylish on her finds which came at 43 and 48. The combined parts which made up the whole of her performance earned her placement.

Shadow's Tennessee Girl placed second for owner-handler Blake Kukar of Somerville, Tenn. More accurately stated, Kukar lives at Dancyville and has worked and contributed tirelessly to the reorganization of the Fayette County Amateur Field Trial Club. Dancyville is an unusual community in that it is the home of many field trialers and has two excellent clubs and three members of the Hall of Fame domiciled there. Kukar's entry, called Kate, ran an excellent forward and animated race. She had one find at 55 and continued running strongly and to the front until the end of her hour.

Crouse's Unforgettable, owned and handled by Mike Crouse of Dixon, Ky., placed third. The young male showed good power and handled the second hour course well. He had an unproductive on a ditch bank at 6 and then pointed again at 56. Crouse easily flushed birds in that effort. Unforgettable's performance was nice to watch.

Texas Red Setter Club

By MARY ANN GUSTAFSON

THE Texas Red Setter Club's spring trial was held January 8-9 at the P3 Porter Ranch in Hubbard, Tex. Due to a small entry the trial was run in one day. This was a blessing as our beautiful weather on Saturday turned into rain and eventually snow on Sunday.

Many thanks to judges Paul Holland, James Baker and Ray Black who rode hard and were attentive. Their decisions were well received. Dickie Sorrell supplied the trial grounds and birds. The grounds were in great shape; the birds were well flight conditioned. We thank these men for their efforts.

A successful trial must have the support and good sportsmanship of all the participants. Thanks to all for making this an enjoyable event.
