

March 1965

Winter doldrums got you?
Dreaming of spring?
Look ahead, man to April 10! For what?

THE NATIONAL RED SETTER FIELD TRIAL CLUB'S
SPRING CLASSIC

Kildeer Plains is the location with our
headquarters at Upper Sandusky, Ohio

Trial Chairman is

F. C. (Cliff) Bean

So get your reservations in early for the
Evergreen Motel so you can be with the crowd!

Horses are ordered and for additional mounts if you wish to ride
all day, either or both days, contact Chrmn. Bean, Route 3, Athens, O.
Handlers horses are of course provided. Quail to offer your dog a
better chance of showing on game have also been ordered from Blue Spring,
Mo.

Trophys are also ordered and delivery promised long before the trial.
We hope to have them on display for you Friday evening prior to the
drawing at the Evergreen Restaurant. Come see!

We have a lot of new members that I hope may join us for this most
enjoyable weekend. Most recent to join our ranks are Don Jackson of
Tullahoma, Tenn., Art Roberts of Harrodsburg, Ky., Mr. and Mrs. P. A.
Bartmess of Walton Beach, Fla., and Jack Brookshire of Dayton, O. Welcome
to the Club!

A change of address should also be noted on your membership list for
John Lowe. He should now be addressed at 13510 Crispin Way., Rockville,
Md.

R. D. Holtz, 5601 Tiffin St., Kalamazoo, Mich., would appreciate being
put on the mailing list for Irish Setter field trials around the country.
Mr. Holtz has a pair of Irish he runs so here's your chance perhaps to
add two entries by mailing him your club trial information. I'd like to
see more too!

Member Glenn Bacon of Sranateles Turnpike, Brookfield, N. Y. , is now
looking for a good field trial bitch. So contact him if you think you

might have a good one for him.

Another member, Alex Soutar, 83 Lawrence St., Tappan, N. Y. is also in the market for a "good one". Mr. Soutar handles Lucy Jane Myers' "Draherin Lad Kendrick" in eastern trials and has earned a second in OAA and a top placement in OGD. This is a pleasure for him and I understand he straightened out this six year old with a few bad habits into quite a dog which is doubly rewarding. Mr. Soutar also has had good success with a young Brittany and (I hesitate to say this) and English Pointer. Hope you can make it to Ohio with Lad!

Some interesting notes have been coming in along with the dues. Have you sent in yours? Jack Ullrich for instance informs me of a nice showing his Kathy made at the Virginia Amateur where she was called back for a nice race but went birdless. ~~Very~~ class company she's keeping as of the 22 entries in the 1/2 hour qualifying the judges were directed to call back a minimum of 6 to run the 1 hr. finals! The five others were Pointers. This we want to see!

I mentioned the Lee and Leif Thorstens as being back in business with a new dog from Ned LeGrande and am now caught up on their doings. Lee is back teaching school and working on her masters at Akron U., Leif has added business responsibilities but we still hope to see "Happy Dan Kendrick" next month along with his family! A friend of theirs too is cordially invited, John Finn of Wadsworth, O., ~~too~~ whom I understand has another promising young bitch from Willow Winds Farm!

Rev. Murray Sleeper had to have his 13 yr. old Taffy put to sleep, she was the "fountain-head" of his breeding program. Al Pilon and Ned both thought she was "something" and we're sorry to learn of her passing & happy to know her granddaughter "Whit" is showing good promise!

Thanks for the kind words regarding "Whip" also to Virginia Hardin, Dr. Zoll, Ray Hagan.

Membership should be sent to 4381 Forest Ave., Pontiac, Mich. \$5.00 yr.
